RECIPE BOOK

27" COMMERCIAL GRADE TOUCHSCREEN

Manage recipes, updates, how-to manuals, comments, and high-priority notices on perishable supplies.

Stay in touch with the chefs, in real time with the smartphone application, through an instant messaging system.

Upload your corporate cookbook in English and Spanish to Rezipte.

Rezipte is ideal for saving time and resources in food and beverage manufacturing processes.

Features

Update your recipes in real time, in all stores or franchises.

Post messages and comments from your PC or smartphone.

Videos for new employee training.

Multi language platform.

RECIPE BOOK

INCLUDES AN EASY-TO-USE SMARTPHONE APP

 exactosignage

An innovation in recipe management for supermarkets and the food industry.

Instant access to all of your recipes, procedure manuals and instructional videos on the **Rezipte** touchscreen, with just a few taps.

Save valuable production time, improve internal communication at the workplace, reduce the number of errors & increase production quality.

Implement an engaging and motivating experience for members of the cooking & baking team with graphic content and videos to train your personal and new employees, in a short time.
